the 1990s, the number of people in the UK who are aged 65 and over has increased from 10.5 million to 13.5 million, and the number of people aged 75 and over has increased from 4.5 million to 6.5 million (Office for National Statistics 2000). The number of people aged 65 and over is projected to increase to 16.5 million by 2020, and the number of people aged 75 and over to 8.5 million (Office for National Statistics 2000).

There is a growing awareness of the need to develop strategies to meet the needs of the ageing population. The Department of Health (1999) has identified the need to develop a 'new paradigm' of care for the ageing population, which is based on the principles of 'active ageing'. This paradigm is based on the idea that ageing is a process, and that the needs of the ageing population are not static. It is therefore necessary to develop strategies that can meet the needs of the ageing population at different stages of their life.

The Department of Health (1999) has identified four key areas of focus for the new paradigm of care for the ageing population: (1) the need to develop a 'new paradigm' of care for the ageing population, (2) the need to develop a 'new paradigm' of care for the ageing population, (3) the need to develop a 'new paradigm' of care for the ageing population, and (4) the need to develop a 'new paradigm' of care for the ageing population. These four areas of focus are interrelated, and they all contribute to the development of a 'new paradigm' of care for the ageing population.

The number of people aged 65 and over is projected to increase to 6.5 million by 2011, and the number of people aged 75 and over to 3.5 million (Office for National Statistics 1999).

There is a growing awareness of the need to develop services to meet the needs of older people, and a number of initiatives have been developed to address this need. The Department of Health (1999) has published a strategy for older people, which sets out the government's commitment to improve the lives of older people, and to ensure that they are able to live independently and actively in their communities.

The strategy identifies a number of key areas for action, including: improving the health and social care services available to older people; promoting the independence and active participation of older people in their communities; and ensuring that older people are able to live in their own homes for as long as possible. The strategy also sets out a number of specific targets for the government to achieve by 2004.

The strategy is a key document for the development of services for older people, and it provides a framework for the development of policies and programmes to improve the lives of older people. The number of people aged 65 and over in the UK is projected to increase from 10.5 million in 1999 to 12.5 million in 2010, with the number of people aged 75 and over increasing from 3.5 million to 4.5 million in the same period (Office of National Statistics 2000).

The Department of Health (2000) has published a strategy for ageing, which sets out the government's commitment to improve the lives of older people. ## Under Morton's Hat

For many years Morton High School has been represented by a governor's top hat, cane and gloves. This symbol stands for many things within the school itself. Morton is well known for its high scholastic standards. National Merit scholars and championship debaters are typical of Morton's intellect. The Top Hat signifies outstanding educational opportunities which are present in all classrooms.

Governors find time for more than study. Life is filled with the enjoyment provided by extracurricular activities. The tall black hat represents the ability of Morton's active students to make clubs, bonfires, and proms fun for themselves and others.

Perhaps more than in any other field, the top hat is recognized in sports. The Governors' outstanding athletic abilities are equaled only by their extremely high standards of sportsmanship. The Top Hat symbolizes the teams and those who support them.

UNDER MORTON'S HAT is all this . . .

# Morton Students Travel to Nation's Capital

**FALLING IN LINE** with the picket who's displaying his sign before the White House is Henry Bachman, Morton senior. The students were in Washington during the Cuban crisis.

Morton juniors and seniors journeyed to Washington, D.C., with students from other Hammond high schools. Some of the places visited were the home of Thomas Jefferson, the University of Virginia, Williamsburg, the Tomb of the Unknown Soldier, and various sights and monuments in Washington, D.C. The trip gives students an excellent opportunity to view places pertaining to United States history.

**CHANGING THE GUARDS** at the Tomb of the Unknown Soldier in Arlington National Cemetery in Arlington, Virginia, is a very revered event. This was only one of the many sights which the students viewed on the trip to Washington, D.C.

**IN A TENSE MOMENT** the 1962 Governor basketball team eagerly listens to hurried instructions from Coach Joe DePeugh. The Governors spent all season preparing for the sectionals which provide an exciting basketball climax.

## Sectional Contests Climax Basketball Year

**AS TIME RUNS OUT** the jubilant Governor cheerleaders and fans cheer when their team scores.

**AFTER GIVING A PEP TALK** and introducing the boys, Coach Mourey Zlotnik leads his 1962 Governor football team off the stage at the first pep assembly of the new year.

Spirited, enthusiastic Governors exhibited their support for the teams of various Morton sports at pep rallies and assemblies. The activities, led by the cheerleaders and assisted by a pep band, usually consisted of skits, an introduction of the teams, and confident pep talks from the coaches.

## Morton Pupils Enjoy

**SPLAT!** Senior girls, loyal to the Governor cause, became disgusted at some "Fort Wayne boosters" and "let 'em have it" with whipped cream.

Besides pep assemblies, Morton students enjoyed programs of a more serious nature. Governors viewed films, listened to guest speakers, and watched their classmates perform. The PTA Fun Festival, an annual event, supplied yet another form of entertainment.

**THE PTA FALL FESTIVAL** attracted many people to Morton High. Here, some boys, who obviously took part in the hairspraying concession, explore the treasures of books that were offered for sale.

## and Participate in Many Outside Activities

**MANY HUNGRY CUSTOMERS** enjoyed the fruit machine, a new feature of Morton, sponsored by the Forensics League.

**SILHOUETTED AGAINST** the background of a large Christmas card, choir members Francene Vintilla, Jim Clouson, and Michael Rose sing carols at the Christmas assembly presented for junior and senior high school.

# Assembly, Ball Honor Association Officers

"**I DO SOLEMNLY SWEAR,**" state the cabinet members of the Morton Student Association as they are sworn in by the incoming president, Ron Stanis. Receiving the oath are Gene Tomsic, Secretary of the Student Center; Lanny Barnett, Secretary of Assemblies; John May, Vice-President; Alan Witte, Secretary of Safety; Sharon Friend, Recorder; Cynthia Kackley, Secretary of the Treasury; and Mary Kay Thegze, Secretary of Social Affairs.

On November 9, 1962, Association President Ron Stanis, having been sworn into office by Principal W. W. Becker, administered the oath of office first to Vice-President John May, Recorder Sharon Friend, and the Cabinet and then to Congress. As his second official duty, Ron delivered his inaugural address. Then Chief Justice Brady Doughty swore in the members of the court. The inaugural ceremonies were concluded when the members of the student body repeated the pledge to the Morton Student Association.

The Sixth Annual Inaugural Ball, honoring the new and past Association officers, was held on November 22, 1962, at St. Michael's Hall. A record crowd attended.

**TAKING THE OFFICIAL OATH** of office from Principal W. Winston Becker is Ron Stanis, the Association President for the 1962-1963 school year.

**IN A HALL** decorated with streamers and stars couples dreamily dance at the Inaugural Ball. Ron Stanis and his fellow executives lead off the traditional President's Dance.

**THE DIPLOMATS**, a four-piece dance band, provided the music for the Inaugural Ball.

# Colorful Homecoming Activities Include Parade,

At the pep assembly held in the school auditorium, Morton Governors swung into the spirit of homecoming with rousing cheers and words of confidence from Coach Zlotnik. Furthering the festivities were the bonfire and the dance held behind the school.

The queen candidates, junior and senior class floats, and decorated cars made up the homecoming parade, which disbanded at Hammond High field. After the game against Bishop Noll, Governors and returning alumni were invited to Edison gym to attend the dance held in honor of the queen and her court.

**DESCRIBED BY BIG GOVERNOR LANNY BARNETT** as having "a squeaky voice and a slight southern drawl," Cathy Fausset, 1962 Morton homecoming queen, expresses words of happiness and gratitude to the Governor fans. Looking on are members of the band, Lanny, and Gene Tomsic, Cathy's escort.

**THE BONFIRE**, a traditional Morton homecoming activity staged behind school, is symbolized by spirited cheers, humorous skits, a colorful crowd, and a roaring blaze.

# Bonfire, Coronation, And Dance

**THE MEMBERS** of the senior class spent many hours of preparation on their entry for the annual homecoming parade. Their float, with the theme "Sink 'Em Again," represents many thoughtful designs and elaborate plans.

**THE 1962 HOMECOMING QUEEN** and her court presided over the dance held in their honor after the homecoming game with Bishop Noll. Awaiting the beginning of the dancing festivities are Sue Reynolds, escorted by Glen MacDonald; Bridget Cerneviski,

escorted by Tom Phores; Bunny Josway, escorted by Steve Frye; Queen Cothy Fausset, escorted by Gene Tomsic; Judy Mestrovich, escorted by Larry Kerr; Diane Speelman, escorted by Dennis Mock; and Marge Moorehead, escorted by Ron Stonis.

# Pupils Exhibit Interest in Vocal, Instrumental

**PICTURED DURING A DRAMATIC MOMENT** is Louis Gregory, director of Morton's orchestra. The orchestra not only presented concerts but also performed at the school plays.

**THE YORKMEN**—Roger Muffett, Allon Punnea, Dick Mace, and HA Gentry—sang at assemblies and at other social functions.

**SOLOISTS** form one part of the entertainment provided by the vocal department. Sonya Byrd sang at the concert "Joyous Noel."

## Groups and Plays

"Golden River," a three-act musical presented by Morton students, was the story of the Walsh family. When the Walshes advertised, "Free—a two weeks' vacation to anyone interested in buying the Walsh Ranch," they received a conglomeration of visitors. Arriving were a psychiatrist, nightclub singer, two elderly sisters, and a promoter and his daughter. A three-sided romance added spice to the play.

"CAUGHT AT LAST!" yells Mr. Feredman (Bruce Byrne). He is finally captured by the "bear" (Jim Silaghi).

"I WONDER," muses Ella (Sharan Friend), "what life would be like if my husband weren't lazy?"

"THERE'S NOTHING TO FEAR," says psychiatrist Paul Mansfield (Dan Jamison) and Mrs. Pennington (Judy Govorchin) as they try to rid Miss Boer (Kristine Tenkley) of her fur phobia.

**URGED ON** by several onlookers, Jerry Soko stretches to burst the red and pink balloons which were a part of the decorations for the prom.

The 1963 prom, "Misty," and all the gala festivities it included, was presented on June 1 at the National Guard Armory. Lavishly decorated, the hall presented an atmosphere of enchantment. The music for this eagerly anticipated event was provided by the Hal Morris band. Sponsored by the juniors, the prom was presented in honor of the Class of 1963.

**SHARON LUND** and her escort pose for a colored prom portrait against a white background brightened with flowers.

## 1963 Prom, *Misty*,

**ENJOYING A MOMENT** of relaxation, these prom couples sit at the decorated tables to chat and drink refreshments. This "break" also provided a rest for the band.

## Affords Memorable Evening of Enchantment

**DANCING CHEEK TO CHEEK** with that special someone truly added to memories of a lovely evening.

**THROUGH FOUR YEARS** of high school, the Class of '63 learned to work together in all activities. Working on the homecoming float, a major senior project, are Steve Frye, Beryl Fry, Lonny Barnett, Dione Speelman, Liz Gardner, Julie Kitchen, and Roger Muffett.

## Throughout the Year Seniors Work, Have

**"I TOLD YOU SO!"** says Liz Gardner to Ray Weber when he had a slight mishap after trying to ride his tricycle down the stairs. Ray, Liz, and "friend" were a part of the "Kindergarten Class of 1963" during Senior Week at Morton.

## Fun Together

**SIGNING CORDS** is a typical senior pastime. The '63 cord colors, John Glenn blue and white, were worn every Wednesday by senior class members. Jo Alexander watches as Jerry Sako adds his signature to her skirt.

**CAPS AND GOWNS** and farewell addresses symbolized the Baccalaureate and Commencement ceremonies on June 9 and 12, respectively. These affairs are the finale of the school career.

## **ACADEMICS . . .**

# Under Morton's Hat

Academics is one of the most important aspects of a Governor's life. Whether the student is interested in business or college, Morton supplies a course of study which is suited to his desires. Academics is truly an important item contained Under Morton's Hat.

**SPEECH V** students study many types of orations. Cindy Kackley demonstrates her ability to give a humorous speech.

Three and one half years of English are required for graduation from Morton. Students become acquainted with spelling demons, vocabulary, sentence diagramming, paragraph and précis writing during the three years of fundamental English.

American Literature makes up the remaining half year requirement. From **David Copperfield** to **Macbeth**, students at Morton learn to appreciate literature by studying some of the more famous authors. English Literature is offered to those students who are interested in a history of writings other than those by American authors. It is not a required course.

Journalism is taken by those interested in writing for publications. This course also helps students appreciate and analyze news events. The speech course offered by the Morton English Department trains the students in vocal expression.

## Mastery of English

**MR. PRICE**, Mrs. Kelly's student teacher, gives the English Literature class a test over "The Canterbury Tales."

**WORK SHEETS** are an integral part of the journalism course. Students clip articles from newspapers to illustrate the many different types of stories.

## Comes Through a Complete Course

**MR. COOLDIGE** helps Pat Hess diagram a sentence.

**SHOWN WRITING** the required weekly theme for Comp. VIII from the "Atlantic Monthly" are Beryl Fry and Jo Alexander.

# Business Courses Offer Students Practice in

**JOYCE KIRTS** demonstrates one of the skills taught in steno, that of transcribing shorthand back into langhand.

**INCREASED SPEED** and accuracy are the goals of Kazia Macey as she takes a dictation from her shorthand instructor.

**TAPE RECORDING** in business law are Richard Warkentien, Randy Stafford, and Gwen Diehl.

# the Commercial Arts

Future business-minded students select commercial courses that will aid them in work after graduation. General business, business law, shorthand, clerical practice, typing, bookkeeping and salesmanship are the commercial courses offered at Morton.

Personal typing, as well as office typing, and salesmanship train students to further their skills and techniques to aid them in future business work. Salesmanship also gives the students a chance to learn how to present themselves and their ideas to others.

Shorthand offers the students the opportunity to take dictation at an advanced rate of speed. Clerical practice gives students experience in operating various business machines, which are beneficial to secretaries. A survey of legal forms and laws of the business world are given in the business law course.

**WONDERING** what to do next are Cathy Peterson and Janice Smith as they attempt to change a type-writer ribbon which is hopelessly tangled.

**IN SALESMANSHIP CLASS** Janet Williams and Jim LaBelle act as buyers, while salesman David Matusiak attempts to sell them a total-sound stereo record player.

# Mystery of Nature Intrigues Science Students

**PHYSICS STUDENTS** Mike Konyu, Don Farrow, and Dennis Koruzyk study the movements of a lever.

The early fall usually finds Biology III students casually looking for insects for their required collections. By early November the search has become a frantic battle between the students and the insects. Finally, the student triumphs over the bug, and then his insect collection is completed.

The dissection table attracts zoology students, and dissection never ceases to fascinate them.

Sometimes chemical elements not only affect each other but also such things as lab aprons, table tops, and the ceiling of the chemistry room. Yes, a chemistry class has a lasting effect on many things.

Students who meet specified mathematical requirements may study physics. Light, heat, sound mechanics, and radioactivity are studied in this course.

In health and safety Mortenites study personal hygiene and safety. Hector, the manikin of the science department intrigues health and safety students.

**DISCUSSING** on insect collection are Drew Hiduke, Judy Reeves, and Anthony Bosso.

**LOOKING ON** while Denny Palmer dissects a cat for the zoology class are Mary Baily, Sharan Repay, and Susan Schreiber.

**A BOOK** and a chart are used by Kim Bell and John Kocur to answer questions in Health and Safety.

**A BASIC PART** of the chemistry course is the chemistry labs. Kathi Nemeth, Andrea Knish, and Dwight Siman demonstrate one of the experiments used to study hydrogen.

**LOCATING** one of the places that they are studying in their geography class are Ed Riley, Barbara Frye, Greg Malnar and Eileen Hamerla.

## Students Study the World with Emphasis on

**WORLD NEWS** is being discussed by Pat Cole, Mr. McClellan and John May in the U.S. and World Affairs class.

**JUDY WILSON** explains a chart showing some facts about consumer credit to the rest of her economics class.

**PARTICIPATING** in a panel discussion during the combined U.S. History class of Mr. Nelson and Mr. McClellan are Dennis Laurion, Glendo Wilks and Micki McGinnis.

## the United States

Since the world situations are ever changing, the social sciences provide students with an insight and understanding of the world's problems.

The economic and government classes give the students a basic knowledge of the structure of their government and the way it functions. Visits to City Hall show students how a local government operates.

Covering the world from prehistoric times to present times is the objective of the world history course. The origin and development of the countries of the world are explained so that a student may learn their history and gain understanding of the world today.

After completing the world history course, studies are concentrated on one phase of history, the United States. During this course students learn how their country developed into a world power.

**STUDENTS LISTEN** while Mr. Hoys illustrates some of the complicated phases of the nation's government.

**DENNIS MACK** demonstrates one of the skills taught in mechanical drawing, scale drawing.

**LEARNING TO IRON** a shirt is an important part of Boys' Foods, as shown by Bob Kessler and Joe Bewley.

# Future Skills Come Through Practical Arts

In Morton's practical arts classes, which include home nursing, cooking, home management, and mechanical drawing, the students learn the techniques of these fields and prepare for future life.

Making and keeping a budget are just a few of the essentials taught to the girls in the home management classes. Students learn how to cope with many household problems which they will encounter.

Boys, as well as girls, dabble in the art of cooking at Morton. The boys' foods class also includes instructions in ironing and raising a family.

Mechanical drawing helps prepare boys for future industrial work. Scale drawings, lettering, and engineering problems are a few of the skills dealt with by the student taking this course.

ON A HOME management panel are Elaine Tamich, Nancy Sparks, Nancy Ochiltree, Barb Haward and Gwen Diehl.

IN CLOTHING CLASSES the girls start with elementary patterns but soon graduate to more complicated garments. Judy Diehl and Candy Crasby are shown working on suits.

ADMIRING a poster about Spain in their Spanish class are Bob Zimmerman and Linda Long.

Governors find the dead language very lively. In Latin students learn grammar and translation. However, if when translating the person does not speak loudly enough, he may be forced to stand on the "X" until his volume meets the approval of Mr. Ruff.

Oral translation is very important for Spanish students also. Students converse in Spanish frequently to perfect their pronunciation and accents. During the past summer several Morton students visited South American countries to gain practical experience in speaking Spanish and to broaden their education.

Students are very rarely heard speaking a word of English during the hour spent in French class each day. Displays and field trips form an interesting part of the French pupils' education.

Storybooks are an unusual sight in a high school. However, this is not so in German class. Reading stories is a basic part of the German course.

## Languages Provide Understanding of Customs

Helping Kathy Teegarden with her pronunciation in German is Larry Stout.

SENT TO SIBERIA by Mr. Ruff, Melvin Klopsch studies his Latin. This trip is a consequence of bad conduct.

MRS. HASTINGS holds the French flag as the French students identify it as "le drapeau Français."

## and Traditions of Foreign Countries

THESE LANGUAGE BOOKS, symbolizing the four languages taught at Morton, unlock the door to many faraway places.

BEATRIZ JARAMILLO, an exchange student from Colombia, stayed with Lora Bowlby and attended Morton. Many students practiced their Spanish pronunciation by talking to Beatriz.

# Mathematics Generate Mortonites' Reasoning

**SOLID GEOMETRY** deals with angles and figures of three-dimensional space such as cylinders, cones and pyramids.

The first and second year algebra courses present Mortonites with a chance to prove themselves in the art of solving equations. Proving that one quantity is equal to another can be quite a struggle if the student has forgotten how to simplify an equation.

Proving that one triangle is congruent to another is not always an easy task, as the plane geometry students soon find out. Memorizing assumptions and theorems, proving angles equal, and constructing figures are part of the pupil's curriculum.

Commercial math offers the business bound pupil a chance to get practical experience before entering business competition. Buying real estate and insurance, figuring income tax, and writing checks are all integral parts of the business math course.

Trigonometry and solid geometry are the advanced mathematics courses usually taken by seniors.

# Powers

NOREEN DRAUS attempts to prove that triangle ABD is equal and congruent to triangle ABC.

THESE FOUR algebra students are factoring equations for extra practice.

PHYLLIS GEARMAN explains a check to the rest of her class during commercial math.

## **ORGANIZATIONS . . .**

# Under Morton's Hat

Governors are very active people. Organizations at Morton cover wide and varied fields of interest. Whether the member is interested in athletics or literature, there is a club at Morton to accomodate him. Togetherness and fun are Under Morton's Hat.

## New Languages Now Available at Morton

People interested in the study of languages have a choice of three different clubs to join this year. These clubs permit students to learn things they do not have time to learn in the classroom.

The newly formed French and German Clubs are helping students with studies as well as giving them a background in the language and customs of the German and French people. Members learn about the interests of the people, namely their dances, particular social customs, and favorite pastimes. They learn also about the country's physical assets.

Spanish Club members are shown the various aspects of Spanish living and customs. This club also sponsors a dance during the school year.

Through these organizations students can learn more about the languages they are "out to conquer."

**GERMAN CLUB**—**FRONT ROW:** Sgt.-at-arms R. Brenman, I. Johnston, P. Hess, P. Davery, Sponsor Mr. Jordan. **SECOND ROW:** S. Jarcis, L. Lucky, K. Teegarden. **THIRD ROW:** Sec. B. Beilby, P. # Cabinet, Senate, and House Aid Association

In charge of planning student activities are the association officers and cabinet members. Each morning at 8:30 the officers meet to discuss student rules and government, the operation and maintenance of the Student Center, the financial state of the Association, elections, programming for assemblies, and problems within the school. Each cabinet officer has his own special duty to perform.

**ASSOCIATION OFFICERS** are — V. P. John May, Pres. Ron Stanis, Rec. Sharon Friend.

**SERVING** in the 1963 Marton Cabinet are these members — **FRONT ROW:** Gilbert Barnett, Mary Kay Thegze, Sponsor Mrs. P. Miller, Cynthia Kackley. **BACK ROW:** Alan Witte, Brady Daughtry, Gene Tamsic, Sponsor Mr. A. Rusnak.

The House of Representatives, which is comprised of one student from each homeroom, and the Senate, whose members are voted into office by students at Morton, worked together for organization and unity in their school government. Meetings of each group were held on service club days during the year. Members talked about school functions, passed laws, solved problems, and made useful suggestions. The Senate, with representatives from each class, passed laws that would benefit each student and provide the necessary discipline, help, and co-operation needed among all the students at Morton. These two organizations proved to be one step towards unity within Morton and created a better student government.

# Talents Combine for Musical Presentation

The musical phase of the education of many students was fulfilled throughout the school year by such activities as the band, the orchestra, the choir, the boys' and girls' choruses, and the girls' glee club. Each of these organizations had two objectives: to serve and to train talented people.

The choir has participated in holiday assemblies and in concerts. With students from other Hammond schools, it performed at the annual Spring Musicales at the Hammond Civic Center. The choir sang for many school-sponsored activities. It has performed before local community and civic groups. The choir participates with other schools in exchange programs.

The glee club and boys' and girls' choruses, comprised of those who can afterwards be eligible to sing in the school choir, took part in holiday assemblies and sang for special programs sponsored by the school. Their performances were always welcomed.

During the Christmas holiday season members of all the choral groups encouraged the holiday spirit by singing Christmas carols through the school's halls

and combining to produce a moving Christmas program for the last assembly before the holidays.

Bringing delight to audiences during intermissions at plays and providing the music for the dramatic and musical departments' production of "Golden River" this fall was the Governor orchestra, under the direction of Mr. Louis Gregory. This group received a superior rating last year in the Northern Indiana contest for Indiana schools.

The 100 Marching Governors, the new name chosen for Morton's fine band, brought delightful and well-performed precision routines and fine music to football fans during half times at all home football games. Three musical concerts were held during the year. Every day the band could be heard practicing for one hour, and special private music lessons were given by the band's director, Mr. John Melton. Through the extra effort put forth by band members and their directors, the band gave an exceptional performance each time it was seen by the public. Music from all groups is enjoyed by everyone.

# Discipline Enforced by Students at Morton

**SUPERVISING HALL MONITORS** during free periods are these students—**FRONT ROW:** Sue Freeman, Janet Fines, Beryl Fry. **BACK ROW:** Ron Kish, Ron Estep, Lorry Gardner, Bonnie Pruitt.

People breaking laws of the school are brought before the student court to be tried and given penalties if they are found to be guilty. Each class provides a judge and deputies to preside over those who offended the school's rule and to be sure the penalty given to the accused is justly carried out. The student court is another means of providing discipline to the student body by a chosen number of students picked from the student body itself.

Monitor lieutenants have charge of all monitors. It is their job to preside over all the other monitors and try to keep order in the halls. These lieutenants substitute when monitors are absent, and know when all the floors are well-covered. Each monitor has his own responsibilities, such as checking for locks that have been set and seeing that no person is wandering in the halls without a pass.

**THOSE OPERATING** the Student Court are—**FRONT ROW:** Fred Bruner. **SECOND ROW:** George Yonek, Roger Muffett, Jo Alexander, Morge Moorehead, Mike Boardman, Brody Daughy. **BACK ROW:** Leigh Mayer, Jim LaBelle, Steve Banko, Craig Courtice.

**MORTON DEBATE REPRESENTATIVES** are—Bob Mitchell, Henry Shock, Sue George, Helen Holsclaw, Susan Zaher, Collen Wood.

Forensics and the art of speech and oral interpretation have always held the interest of a great many students at Morton. The purpose of both the Forensic League and Club is to help each member acquire a better ability to talk before a group.

Many contests, sponsored by Hammond schools, provide the opportunities for Forensic Club members to show their ability. Some members of the groups have traveled to various places in the state to receive high honor in contests with representatives from other high schools in Indiana.

Morton's debaters performed on television and debated against rival schools. They seem to have much talent and show great promise for the future.

To raise funds the Forensic organizations sponsored money-raising projects, such as the popular apple machines installed at Morton last fall.

# Clubs Encourage Scientific Study and Fun

The Phy-Chem Club is comprised of members interested in the various aspects of physics and chemistry. The club's main objectives are to help members with school work and to provide them with the opportunities to enter into extra-curricular activities, science projects, and lab work.

The Biology and Zoology Clubs were formed by a division of the original Biology Club. This division enables students to concentrate their interests in a particular subject. Membership in these clubs also can help the biology or zoology student with grades. A skating party is sponsored by the two clubs.

**PHY-CHEM CLUB** members are—FRONT ROW: Sponsor Mrs. Pettersen, J. Clouson, R. Roce, L. Sullivan, D. Spork, A. Knish, L. Foster, D. Nefi, K. Smith, Pres. B. Byrne, V.P. A. Witte, Sec. C. # Camera Clubs Provide Visual Aid Program

Students in the Photo Club learn to operate cameras and to take a really good picture. Members of this club take pictures for both Morton publications, the **Mortonite** and the **Top Hat**. These students must be able to recognize good subject matter and to know the correct procedure in taking human interest and posed pictures. Through the guidance of Julian Rasmussen, the club's sponsor, members receive the best possible instruction in photography.

Attaining sound and clear pictures are the objectives of members of Cinema Club. Microphones used in assemblies and movies shown to classes are supervised by this club's members. Through membership in the Cinema Club, one can become familiar with types of audio and visual machines.

The Cinema Club showed movies to students during lunch hours as a money-making project for the club.

**PHOTO CLUB** consists of these members—FRONT ROW: Sponsor Mr. Rasmussen, L. Sherwinski, J. Clouson, T. O'Brien, P. Sherwinski, C. Clark, Sec. P. Phelps, Treas. J. Forster, Pres. D. Farrow, V.P. B. ## Future Teachers, Nurses, and Homemakers

The Future Nurses and Future Teachers Clubs are most popular with students who know what they want to do after graduation. These organizations try to acquaint members with the problems and the advantages of the profession they want to enter.

The Future Teachers Club provides members with the opportunity to learn the art of teaching by actually practicing it. Some members can help elementary teachers with their work and learn from them. This club has a scholarship fund which is awarded at the end of the year to the student needing it most.

Future Nurses travel to see how nurses work. They go to various hospitals and talk with persons actually in the profession. During club periods members become acquainted with home-nursing.

**FUTURE TEACHERS OF AMERICA** are—

## Learn about Chosen Professions

Girls that want to learn the arts of cooking, cleaning, raising a family, and being a truly good homemaker are those girls that are enrolled in the Home Economic and Girls' Clubs at Morton.

The Home Economic Club gives members an opportunity to view the problems they might encounter in family living. They learn the correct procedure for serving and preparing a meal, setting the table, mending clothes, and wearing them the right way.

Each Girls' Club meeting is arranged around a program directed to good grooming, the social graces, and manners. Each girl has a chance to learn how to act socially. Charitable work is the foremost objective of this group. They sew favors and collect money to send to orphanages and needy people.

**GIRLS' CLUB**—FRONT ROW: Treos, D. Stolder, Pres. M. Dukes, Vice Pres. P. Sonaty. SECOND ROW: J. Miko, L. Wofcik, D. Theilen, D. Rosenberry, J. Williamson, L. Stevens. THIRD ROW: D. Steele, W. # Community and School

A Homecoming bonfire and dance, a "Mr. Ugly" dance, the city Hi-Y basketball tourney and a spring car wash are among the various fund raising activities which the Hi-Y sponsors. The proceeds from these projects are used to furnish food which is given to needy families on Thanksgiving Day.

The Red Cross is comprised of representatives from each homeroom. These students take charge of all funds and charities within the school. They collect money and pass out tokens. Through these students Morton has played a beneficial part in raising money for various charities in the community.

**THE OFFICERS** of the Morton Hi-Y organization are—Ron Estep, Dave Furness, Larry Kerr, Dennis Palmer, Bill Swolick, Lorry Lessie, Mr. Kurteff.

**JUNIOR RED CROSS** members are these students—**FRONT ROW:** V.P. A. Bishop, Sec. J. Finley, Treas. B. Kessler. **SECOND ROW:** P. Klopsche, J. Wright, H. Badovinai, S. Buza, J. Freeman, M.

Johnston. **THIRD ROW:** S. Tate, M. Klopsche, L. Kennedy, L. McPheron, L. Fard, G. Misecka. **BACK ROW:** R. Shere, R. Sheldon, J. Reeves, L. Wieneke, D. Kazdros, K. Argadine.

# Social Studies Clubs Look at World Ideas

At each Travel Club meeting members take imaginary trips by the use of movies, slides, pamphlets, and talks by special speakers. Discussions on methods of traveling and places to visit are held at most meetings. An annual trip is taken to a state park.

Historical Club members learn about the founders of our country and the story of the world. Members discuss history in all phases and learn how to study for their history classes. The best historical sources are reviewed and filed for social study use.

**HISTORICAL CLUB** members are—FRONT ROW: Pres. Ronald Stafford, V.P. Jim Preneske, Treas. Dennis Dawson. BACK ROW: Sec. Steve Orban, Second V.P. Bill Brandenburg.

**MEMBERS OF THE TRAVEL CLUB** are—FRONT ROW: Treas. T. Ragawski, Pres B. Cerneviski, V.P. C. Mickey, Sec. F. Klem. SECOND ROW: Sponsor Mr. Nelson, C. Lee, D. Modge-ski, K. Shirley, P. Guzis, K. ## Small Clubs Show Big Interest in Studies

**GOVERNMENT CLUB**—FRONT ROW: B. Fliescher, B. Trubich, C. Petersan, F. Tarok, Sec. D. Speelman, W. Seals. BACK ROW:

B. Jasway, V.P. D. Stalder, Pres. B. Bogan, D. Campbell, H. Shock, B. Hunziker, Treas. P. Pisowicz, Sponsor Mr. Moorehead.

**TAKING PART** in the Math Club are—FRONT ROW: Sgt.-at-Arms Tom Krughoff, V.P. Larry Strayer, Treas. Alan Nagy, Terry Mears. BACK ROW: Pres. Dan Mase, Sec. Larry Lee, Sgt. Frank McCay.

Government Club members learn more about their city and state. Despite being a rather small organization, it has participated in many activities this year. This club sponsored a winter formal in February for all students at Morton. The proceeds from this dance went to the support of a Korean orphan adopted by the Morton student body in 1959. The Government Club supervises the care of this orphan in many ways such as having assemblies to raise the \$180 needed annually to support him, and writing and receiving letters.

Mathematics in various forms are discussed and studied by Math Club members. Students learn to apply geometry, algebra, and trigonometry to problems encountered in everyday living.

# Club Members Have Different Interests—from

Two clubs that have enlarged greatly in the past two years are the Theatre Guild and Stage Crew. These two organizations, headed by dramatic coach Donn Edwards, helped produce two plays this year.

The Theatre Guild tries to show students the art of dramatics. Little skits are shown to members during each club period by selected members within the group. The club attends professional productions.

The Thespians is an honor group formed just last year. The society is made up of those students who have worked either before the audience or behind the scenes and who have acquired enough points to give them the opportunity to be selected for membership in this honor organization.

**NATIONAL THESPIAN SOCIETY** members are—FRONT ROW: M. Boardman, G. Hendricks, J. Bewley, B. Byrne. BACK ROW: L. Barnett, S. Friend, C. Kockley, P. Cale, J. Gavarchin.

## Governors Receive Honors by Membership

To be selected as a candidate for membership in the National Honor Society is one of the highest honors a student may receive. Students are judged by their scholarship, leadership, character, and service. One must be of junior or senior standing and have made the honor roll four consecutive times before he is eligible for membership. He is then judged by the faculty on the four attributes of the society. A special

assembly is held during which time the students are initiated into the "Realm of Idealism."

The Morton Honor Society has been sponsored by Miss Mable Hunter since it was organized in 1952. During the first semester of school, a larger number of students were initiated into the club than ever before. There are now 72 members in the Chapter.

**DURING** the ceremonial assembly an honorary stole is placed on a student. Others who have taken the oath look on with pride and humility.

**QUILL AND SCROLL** members are—FRONT ROW: Spansor Mrs. H. Stock, C. Hill, S. Britt, N. Canady, B. Josway, L. Foster, J. Kitchen, J. Saka, M. K. Thegze, M. Boardman. SECOND ROW: D. Bianucci, G. Smulevitz, D. Speelman. BACK ROW: F. Torok, E. Gardner.

## in Special Clubs

High school journalists who have done superior work in journalism or school publication work are eligible for membership in the Quill and Scroll. To be a candidate for membership one must be a junior or senior, be in the upper third of his class, and be recommended by the sponsor of the publications. One of the purposes of this International Honor Society is to encourage students to participate in competitive writing. For the first time members of the **Mortonite** submitted writings to be judged during the school year. Bunny Josway and Kris Houser were declared National winners and received National Award Gold Keys.

Boys who have competed in some phase of sports to a point where they have had the honor of receiving a letter are eligible for membership in M-Club. Homecoming activities and the annual Has-Been vs. Will-Be game are planned by this group.

**MEMBERS** of the athletic M-Club—FRONT ROW: D. Palmer, B. Swalik, B. Zerby, J. May. SECOND ROW: R. Royer, G. Tomsic, L. Kerr, B. Gusek, M. Bradburn, S. DuVall. BACK ROW: C. Iorio, D. McCrea, J. Parchem, D. Mack, K. Hyde.

# Individual Activities at M.H.S. Vary from

Honor roll students are the only people eligible to join the Tutor Club. For a slight fee these members help pupils who are having trouble with certain subjects. This is one organization that directly helps the students of Morton in an academic fashion.

On the sidelines at basketball and football games were the loyal fans and members of the Booster Club. Members also ran the refreshment stands at home football games. The Booster Club planned a cheering block for basketball games during the year.

**TUTOR CLUB** is comprised of—FRONT ROW: Sponsor Miss Wilma Clair, V. P. Elizabeth Arnold, Sec-Treas. Deanna Spark, Pres. Linda White, Scott Sweeney. BACK ROW: Susan Zaher, Judy Finley, Sue Britt, Bunny Jasway.

**BOOSTER CLUB**—FRONT ROW: Cathy Fausset, Carol Palochak, Diane Spelman, Marjorie Moorehead, Nancy Creekmore. BACK ROW: Judy Djenka, Barbara Scheffer, Marija Cunningham.

# Arithmetic to Athletics

The Literature Club enables students to widen their literary background. During the club period, books read by members are reviewed before other members to acquaint them with the book. The Literature Club helps members to increase reading speed, to improve literary tests, and to analyze authors' meanings.

Girls who are interested in athletics are those in the Girls Athletic Association. These girls spend their after-school time playing volley ball, basketball, and other games. They sponsor a girls' homeroom basketball tourney early in the spring.

**LITERATURE CLUB** member Mordi Lamski shows Mrs. Kelly something of interest in a book she is reading.

**G.A.A. Club members**—FRONT ROW: Sponsor Miss Hall, B. Chess, M. Nelson, J. Olson, B. Dye, B. Miller, J. Newcomb, Sec. P. Williams, V.P. V. Boelter, Pres. J. Fines, Treas. D. Ruff. BACK ROW: B. Gosaway, B. Howard, C. Grubbs, K. Macey, S. Sickles, C. Watters.

# Explosive Governors Thrill Fans on Road

With a fine nucleus of seniors returning from last year's state championship team, the '62 Governor grid edition promised once again to be a perennial state power. Unlike past seasons, experience did not pose a problem with veteran center Chuck Iorio backed up by quarterback Ron Royer and backs Mike Bradburn and Dennis Palmer starting their third season of varsity play. Forming a solid front wall were linemen Jim Parchem, Steve Vicari, Bill Swalick, Gene Tomsic, and one of the area's best place-kickers, Bob Guzek.

After a rather dismal showing in their first Football-O-Rama, the Mortonites began to live up to expectations with an authoritative 33-6 conquest of city foe Clark. The next week provided coach Zlotnik's crew their first real test in the form of Hammond Tech. Due mainly to the efforts of the defense, the Governors chalked up their eleventh straight victory (over two seasons), 14-0. Successive thumpings of Fort Wayne South, 39-7, and Whiting, 20-7, added to the momentum of the Morton football "machine."

The following Saturday found the resumption of one of the region's outstanding grid wars, Morton vs. Noll. Considered by Coach Zlotnik as the team's make or break contest, this game in past seasons, has posed a Nemesis to the fighting Governors. A fierce rivalry coupled with the spirit of a Governor homecoming, though, added up to a hard fought Morton victory, 21-20. After showing their heels to the Rough Riders of E. C. Roosevelt, 28-13, the Morton men were idled for a week due to the cancellation of the LaPorte game, on account of adverse weather conditions. Top rated Hammond High was the next to confront the Morton crew. Rated a slight underdog (the first time in two years), an inspired M.H.S. eleven gave the Wildcats, later voted state champions, their biggest scare of the season, 13-9, in the Calumet Area's game of the decade. Finishing up the season on a high note, Hoosierland's most explosive team racked up a 48-6 victory over Tollestson.

**DENNIS PALMER**, 25, displays the Governor speed as he breaks into the clear in the Gory Tallestan game. The Morton offense racked up an impressive 48-6 victory, closing its '62 season.

**TEAMMATES** Gene Tomsic, 27, Ron Hill, 39, and John Moy, 20, assist Ron Royer, 22, and Dale Lambert, 40, as they overwhelm a Clark Pioneer. The Governors defeated Clark 33-6.

## to 7-1 Season Mark

**DESPITE THE HELPFUL INTENTIONS** of teammate Jim Jewett, 34, John May, 20, finds rough going during Morton's 21-20 homecoming victory over the Warriors from Bishop Noll.

**JOINING FORCES** with Jim Jewett, 34, Paul Ropac, 36, and Ron Hill, 39, are Ken Jazyck, 59, Warren Thompson, and Don Ward in a display of the gang tackling method employed by the Governors against the Blue Raiders of Gary Tolleston.

**ALL-STATE** end, Bob Guzek, times his jump perfectly as he snags a Royer pass for a gain against Fort Wayne South.

# Rugged Governor Defense Aids Win Skein

A **WHITING OILER** is greeted by a wall of white-shirted Governor defenders as Cliff Wotts, Jim Porchem, 61, and Mike Konyu, 33, converge to make the tackle. Other Morton griders scramble from the background to assist. Morton downed Whiting 20-7.

Dubbed by a daily paper the "glamorous Governors" the Morton eleven lived up to their reputation in fine style. Headed by All-State fullback Mike Bradburn they continually thrilled the crowds with their explosive offense and long break-away runs. Dangerous all over the field, they registered more long run touchdowns than any other unit in the area, the longest being a 97-yard jaunt by Bradburn in the Fort Wayne South game. Through the employment of Coach Zlotnik's multiple offense the "Scarlet and Gray" outscored their opponents by a decisive 211-72 margin. One of the region's oldest records also was tied by this fighting eleven, the consecutive victory mark. Over a span of two seasons the Governors compiled fifteen straight victories before dropping a squeaker to Hammond High's state championship unit, 13-9.

Ranked sixth in the statewide grid polls, the Mortonites placed three starters, Mike Bradburn, Chuck Iorio, and Bob Guzek, on Indiana All-State grid teams. These same seniors began their high school football careers on the winless squad of '59. The next year the Mortonites turned in a 5-3 slate. Coach Zlotnik and his staff then led the Governors into the Indiana football limelight by being undefeated in '61 and nearly missing that same feat in '62.

"**MOVE ASIDE, Archer,**" Mike Bradburn seems to be saying as he and a Fort Wayne South opponent eye a loose football. Despite their efforts the Fort Wayne crew absorbed a 49-7 defeat.

**EYADING** a Wildcat defender, quarterback Ron Royer, 22, gains much needed yardage in "the game of the decade" against Hammond High's state champions.

**BRINGING** this Noll Warrior's progress to a sudden halt are Jim Jewett, 34, and Ron Royer, 22, as they ambush him from all sides.

**MORTON HALFBACK** Dennis Palmer, 25, is off on another jaunt as Governor Bill Swalick, 49, heads downfield. This game was the first loss for the Governors in two years, 13-9.

**THESE FIRST YEAR** Governors show future promise in posting a 5-2 season record. **BOTTOM ROW:** Mgr. J. Mikel, A. Berquist, S. Sokos, M. Borta, K. Bocken, T. Anderson, Mgr. M. Klopsch. **SECOND ROW:** J. Gosvodo, J. Kostyo, D. Navarro, B. Doughman, M. Horvey, T. Williams, B. Chorbo, G. Hen-

dricks, M. Mestrovich, E. Wells. **TOP ROW:** D. Coopstick, L. Uriss, D. Bailey, J. Andres, T. Poskevich, Coach Georgas, Coach Osborn, Coach Spray, V. Blair, L. Nemcek, P. Gombos, D. Choney, G. Hendricks, L. Bogner.

## Four Governors Awarded State Recognition

Each year, at season's end, the Indiana football polls honor outstanding gridders by compiling various All-State football teams. Based on their outstanding performances, this Governor quartet represented the Calumet Region on these units. Chuck Iorio was voted positions on the Associated Press and United Press International first teams followed by Bob Guzek, U.P.I. first team; Mike Bradburn, A.P. first team; and Ron Royer, A.P. third team.

**THESE TALENTED GOVERNORS** distinguished themselves as outstanding gridders by being voted to All-State status. **BOTTOM:** Bob Guzek and Chuck Iorio. **TOP:** Mike Bradburn and Ron Royer.

# Precision Shooting Thrills Morton Spectators

**DENNIS PALMER**, 25, ends the quarter with a long shot in the Evansville Bosse game. Once down by 20 points, the Governors rallied to within one point of the final gun only to lose 71-70 to the highly rated Bulldogs.

**STRUGGLING** for a rebound from three Gary Roosevelt opponents is Chuck Mickey, 12. Tom Hopmon, 31, stands ready to aid his teammate while he watches the stray ball.

**BLOCKING** the jump shot of on E.C. Washington player, Denny Palmer, 25, strains for height as Chuck Mickey, 12, and a Senator opponent look on anxiously.

Led by the dead-eye shooting of senior guard, Ron Royer, the Governors again this past season proved to be one of the area's best quintets. Against some of the toughest competition in the state (Michigan City, E. C. Washington, Evansville Bosse, and Gary Roosevelt), the Morton men made an impressive showing. In the East Chicago Washington holiday tournament they nearly missed upsetting the defending state champions, Evansville Bosse, 71-70. Toward the end of the season the Governors pulled off one of the biggest upsets of the year as they dumped the fifth-ranked Gary Roosevelt Panthers, 75-70. Under the tutoring of Coach DePeugh, for the last three years the Governors have been transformed into a pattern-ball team with most favorable results. These patterns are designed to set up players for a clear shot, and shooting was the Morton strong point. Ron Royer paced the team as he became the top scorer in the school's history. Senior forward Bob Guzek was runner-up in this department as he and Royer were members of the Lake County All-Star basketball team.

**DESPITE** the defensive efforts of Washington's Rich Mason, center Chuck Mickey dunks the ball for two badly needed points.

**RON ROYER**, Marton scoring ace, evades three Hammond High defense men as he struggles for a scoring position. Due to heavy guarding, Royer was held to eleven points for the game.

**DENNIS PALMER**, 25, demonstrates the ball control which aided the Governors in upsetting highly ranked Gary Roosevelt as he gets around a Panther defender.

**THE 1962-63 B-Team** Basketball Players are—Kneeling: Mgr. J. Berbeco, Mr. Stout, Coach, Mgr. E. Rosenou. Standing—S. Rybicki, R. Decker, J. Repay, J. Krucino, J. Tamsic, F. Coop-

**JOHN SMITH** goes up for a tip during the annual "Has-Been-Will Be" game. This game between the seniors and underclassmen ends Morton's basketball season.

**SENIOR** Ron Royer scores two more points for the "Has-Been" cause despite guarding by an unknown "Will Be" player. The "Has Beens" proved they "Still Are" by a 88-60 score.

This past basketball season was marked by some of the toughest competition a Morton roundball squad has ever faced. Four opponents at one time or another during the season were ranked in the state's top 10 teams, with Michigan City holding the top spot at mid-season. Despite this the Governors made a very respectable showing by upsetting Gary Roosevelt and almost doing the same against Evansville Bosse in one of the state's toughest holiday tournaments held at East Chicago Washington.

Again this year, short on height but long on fight, the Governors exhibited tremendous spirit. Not to be overlooked either was the fan enthusiasm. At each game the cheering block was filled with enthusiastic rooters who were led in cheers by cheerleaders Carrol Polochak, Cathy Fausset, Marge Moorehead, Janet Fines, and Diane Speelmon.

**SENIOR PITCHER,** Gene Tamsic, studies the batter before delivering the next pitch. This game against East Chicago Roosevelt ended with the score deadlocked at 2-2.

# Another Impressive Season

**AT LEFT** Tim Sumner eyes the pitch and gets ready to pop out another Governor hit. In middle—Ron Royer heads for first base. At far right—Bob Guzek rounds third base on his way home with another Governor run to knot the score at two apiece.

**GOVERNOR OUTFIELDER** John Sikich keeps close to the bag as he eyes the pitcher's move toward him.

Led by the no-hit pitching of Governor hardballer, Bob Guzek, the Morton varsity baseball team again proved to be "the team to beat" in the Calumet Region. Ever since its institution at Morton, the baseball team has dominated area play. Having won three times as many games as he has lost, Coach Georgas has won the city championship almost annually. This year's squad has not failed to live up to its reputation for it was built around a fine nucleus of returnees from last year. Anchoring down the outfield was senior Ron Royer, at his centerfield slot, flanked on both sides by John Sikich and Wayne Capalby. Seniors Tom Phares and John Smith, leading the infield from their second base and shortstop spots respectively; Tim Sumner, Third base; Ken Hyde, catcher; and Bob Guzek, first when he was not pitching, rounded out the rest of the diamond. Sharing the mound duties with Guzek were Gene Tomsic, Dave Whitehouse, Bob Van Corp, and Dan Hall.

**CARRYING** the Governor spirit onto the golf course are the twelve members of the golf team coached by Mr. Moorehead—J. Herochik, D. Lambert, D. Korczyk, J. Overman, G. Smith,

L. Lessie, R. Hlavacek, T. Smack, M. Baardmon, M. Gadsdon, G. Tiller, W. Soba, Coach Moorehead.

**FLOYD HAYHURST** strains to clear the bar as he concentrates on form while practicing his high jumping.

**LINING UP** in the halls are the twirlers to practice for the entertainment of the football and basketball games. Always presenting a colorful show, they added to the excitement.

## Twirlers Provide Fans with Entertainment

**UNDER THE DIRECTION** of Mrs. Melton the Morton Twirlers provided excellent showmanship during halftime of football and basketball games. They are from front to back—S. Rohl, M. Cunningham, L. Brondenburg, S. Crist, M. Johnson, R. Crory, J. Palmer, P. Kenzierdki, M. Berrisford, K. Stonton, J. Armstrong, J. Bokker, S. Stevenson.

**GOVERNORS . . .**

## Under Morton's Hat

A school without students is not a school.  
At Morton the students are of the best quality.  
They are studious and fun-loving. The faculty  
at Morton are among the best available. Under  
Morton's Hat are Governors . . . the very best.

# Outstanding Students Excel in Various Fields

**VALEDICTORIAN** and Salutatorian are two of the highest academic honors given to a student. Pictured here are Carolyn Winsberg, Salutatorian, and Gene Tamsic, Valedictorian.

**CINDY KACKLEY** was chosen 1963 DAR Award winner. She was chosen for her leadership, scholarship, and citizenship.

**MORTON'S** varsity debaters appeared on television's "Rebuttal" program. Shown are B. Josway, reporter, C. Wood, debater, Mr. Hays, sponsor, H. Shack, debater.

## Seniors

The senior Class of 1963 will always remember the senior float, the homecoming game, and the combined homeroom sessions in the auditorium. The Has-Been Will-Be game and all the other sporting events will also be included in their memories. As a close to the social activities, the class enjoyed the senior banquet, senior week, Baccalaureate, and Commencement.

**THE CLASS OF 1963** will long remember the activities planned by the senior class officers, Secretary-Treasurer, J. Djenko; President, J. Saka; and Vice-President, J. Skelton.

## Activities Are Planned by Board Members

**MEMBERS** of the Senior Executive Board are—**FRONT ROW:** B. Byrne, R. Muffett. **SECOND ROW:** Mrs. Bonebrake, M. Thegze, B. Joswoy, T. Rogowski, B. Cernevski, D. Speelman, M. Moorehead, E. Gardner. **BACK ROW:** Mr. Woolls, F. Klem, J. Alexander, S. Frye, B. Fry, J. Shaw, L. Barnett, R. Weber, P. Borney.

# Class of '63 Pick Dramatic "Anastasia"

"I STOOPED to kiss your shadow!" explains the Charwoman( S. Friend). Prince Bounin tries to pull Anna away from the sad tale.

PRINCE BOUNIN (L. Barnett) introduces Anostasio (P. Cole) to the Empress (C. Kackley) to gain her approval.

REHEARSING for the spring play "Anastasia" are R. Robinson, K. Tenkly, L. Barnett, D. Jamison, R. Rhodes. Rehearsal continued for six weeks.

**SILVER MIST**, this year's winter formal, was held on February 15. The money was raised for the support of Kim Yung, the Korean orphan, adopted by the Morton student body. Also an assembly and a bake sale were held in his honor. All the activities were supervised by the Government Club.

## "Silver Mist" Inspires Cupid

**MR. MOOREHEAD**, sponsor of the Government Club, hands Barb Bagan, president, a bid. She was escorted by Ron Stanis.

**ENTERTAINMENT** at the formal was by the Vi-Kings and the Yorkmen, H. A. Gentry, R. Mace, A. Pumnea, R. Muffet, and L. Barnett.

Through the efforts of the junior class officers and executive board, the juniors presented this year's Junior-Senior Prom, Stairway to the Stars, at the National Guard Armory. It was held on May 31.

Juniors took the National Merit Scholarship Test to earn recognition and possibly a scholarship. The Class of 1964 also designed and built a float, a huge papier-mache octopus, for the Homecoming Parade. Throughout all they did and accomplished, the juniors anticipated their final and most memorable year as Morton seniors.

**LAYING PLANS** for the activities of the Class of 1964 are the junior class officers—Vice president Helen Holsclaw, President Harry Shock, and Secretary Barbara Gollimore.

The sophomore class, the largest at Morton, has now reached the half-way mark in high school. During the year they have accomplished many things. Besides electing officers and taking N.E.D.T. Tests, they sponsored a class dance held March 29 and sold Morton key chains to supplement their class funds. These additions will help make the 1964 Junior-Senior Prom an enjoyable event for all.

**SOPHOMORE OFFICERS** who helped outline plans for this year's sophomore dance are Joanne Frye, secretary; Mary Hether, vice-president; Madeline Barabos, president.

"ALL TIED UP" is the word for Steve Banka, sophomore athlete, as Nancy Shadoan and Poula Rosenau prepare to add a few knots to their handiwork. The "love-chain" is made by folding and weaving gum wrappers. A fad this year among the sophomore girls, love-chains made to the height of a certain boy could be given to that boy as a symbol of affection.

PLANE GEOMETRY, a sophomore subject, offers many confusing problems to students. Glynn Glad is attempting to solve a double problem for his Geometry III assignment by introducing auxiliary lines to the two figures.

**STRATEGIC WARFARE**, sabotage, and a spy system play an important part in the lives of biology students. In the fall these ambitious hunters, bearing nets and jars, can be found roaming the fields and meadows around Morton in search of "bugs." Here John Gerovac and Mary Hether are engaged in an attack upon insects in the courtyard. Like John and Mary, all sophomores taking biology are required to collect and classify insects.

Incoming freshmen discovered a completely new phase of life upon entering Morton High School. There were new friends to meet and different types of social affairs to attend. The most difficult item facing them, however, was a program that required repeated dashing around in order to keep pace with the clock. To top it all, freshmen learned the importance of good study habits for their daily and future success in life.

**FRESHMAN OFFICERS** elected for this past year are Kathie Creekmore, secretary, and Tom Kerr, president. Joyce Warren, who was elected president, moved out of town in the middle of the year and was succeeded by Tom Kerr, vice president.

# First Year for Morton's New Administration

After the retirement of A.W. Clark last year, W. Winston Becker, Mr. Clark's administrative assistant, took over the office of principal. In this his first year Mr. Becker has shown foresight in instituting the nine-hour day at Morton. Although few students spend a full nine hours at school, the new schedule eases the prevalent overcrowding. Mr. Becker also has authorized the combined meeting of all senior homerooms in the auditorium each day during homeroom period. Announcements exclusively for seniors are easily made through this system.

**MANY IMPORTANT PAPERS** cross the desk of Morton's new principal, W. Winston Becker. At almost any hour of the day Mr. Becker can be found seated at his desk looking over projected plans and numerous forms needing his approval.

As part of the new administration, William A. Volk and Charles B. Chidester have now taken over Mr. Becker's old duties plus many more.

Mr. Chidester, Director of Curriculum and Instruction, has charge of the master teacher schedule and the activity program. He is also a counselor for Morton students. He received his B.A. from Yale University and his M.A. from the University of Kentucky.

Mr. Volk, Director of Personnel, aids Mr. Chidester in the guidance program, maintains group testing programs, and is in charge of discipline. After undergraduate work at Valparaiso University, he was given his B.S. from Indiana University and received his M.A. from the University of Chicago.

**WORKING TOGETHER**, Charles B. Chidester and William A. Volk not only assist Mr. Becker in the management of the school but also help with guidance and counseling. Included in their duties as assistant principals is the administering of the scholarship tests and other scholastic achievement tests.

**HAMMOND'S SCHOOL BOARD**, elected on a bi-partisan basis, governs the Hammond public schools. The five-member board consists of Mrs. T. Allen, Dr. H. Eggers, Mr. L. Bereolos, Mrs. L. Stern and Mr. C. Scott. The board holds its business meetings twice each month. Mr. R. B. Miller, superintendent of schools, presides.

## School Supervisors Solve Many Problems

Laura Gibson has served for twelve years as school nurse. She sponsors the Future Nurses' Club, through which members do volunteer work at local hospitals. In her clinic she offers training to all interested girls. She also has charge of the TB tests which are given to the freshmen and seniors each year. She solves all medical "problems" for Morton, bandaging wounds and examining an average of 100 "sick" students per week. Miss Gibson has received a B.S. degree in nursing from the University of Washington.

# Capable Staffs Control Office, Cafeteria

**SCHOOL OFFICE STAFF** keeps the office in good running order from eight o'clock in the morning to four in the afternoon. Staffers are Mrs. Payne, Mrs. Reynolds, and Mrs. Strvzinski. Mrs. Reynolds is in charge of the bookstore, where supplies are sold to students.

Efficient workers have kept Morton's school office running smoothly during the year. The office staff, composed of Mrs. Payne, Mrs. Stryzinski, and Mrs. Reynolds, assisted both the administration and the students in many ways.

The staff pruned substitutes when regular teachers were unable to come to school, issued absence and tardy slips, and each day distributed the announcement sheets to all the homerooms.

Planning menus and preparing meals are only two of the many duties handled by the cafeteria staff in the course of a normal day at Morton.

Serving each day from 10:40 A.M. to 1:40 P.M., the staff provides both the faculty and student body with well-balanced lunches.

Although the cafeteria, during the past year, has been over-crowded, the "chief cooks and bottle-washers" have always worked at peak performance.

**CAFETERIA STAFF MEMBERS** who daily prepare hundreds of lunches are—Mrs. L. Garson, Mrs. M. Constant, Mrs. M. Greotrix, Mrs. M. Shodoon, Mrs. R. Chambers, Mrs. C. Marion.

**DIRECTING TRAFFIC** in the cafeteria is one of the many duties handled by Morton's teachers. Mr. Gibson, science teacher, is busy pointing out seats to students as they enter from the sack lunch and hot lunch lines. During all lunch hours a teacher is present in the cafeteria to supervise and keep order.

## Teachers Join in "Extra-curricular" Activities

Besides teaching classes, Morton's faculty donates time to "extra-curricular" activities beyond their normal academic schedules.

Some teachers are in charge of halls and monitors during one hour of their day. Others are cafeteria supervisors, counselors, or coaches for student activities. Study halls are a big part of their day. Most of Morton's faculty are assigned study halls in the auditorium, library, or Room 100.

Thus Morton's teachers guide and supervise students through four of their most formative years.

**STUDY HALL SUPERVISION** in Room 100 is a job given to most Morton teachers at one time or another. Although the room is often crowded with over a hundred students, the teacher must keep order and make sure that the general confusion, which is bound to crop up in a large group of teen-agers, does not grow into mass hysteria. Here Ed Musselman, math teacher, is taking roll in his eighth hour study hall. Study halls are also held in the library, auditorium and Room 208.

## **ADVERTISERS...**

# Under Morton's Hat

A nation such as the United States cannot exist without corporations. A school such as Morton cannot exist without advertisers. Businessmen play an important part in the financing of school projects. Advertisers are friends Under Morton's Hat.

As a member of the Senior Class, very soon you will be making a decision regarding a big step into the future. Perhaps your decision will be to go on for further education. Or it may be, you will be looking for the job of your choice. In either event, this decision will affect and shape your future life in many ways.

Regardless of what you decide, we hope that the Inland Steel Company will be a part of your future.

Many graduates are currently involved in successful careers here at the Harbor Works as part of the nation's basic steel industry.

Steel mill work today is highly complex, involving automated production lines which

# WHAT IS YOUR FUTURE?

require people who can be trained in skilled jobs. Most of the jobs are involved directly in the steel-making process while others are available in the laboratories or in various departmental offices. Regardless of your interests, excellent opportunities exist with Inland Steel.

In addition to excellent paying jobs and an outstanding benefit program, Inland offers a variety of on-the-job training programs

plus the Purdue-Inland Program. This Program, offered to a full time employee, provides training in the areas of steelmaking, mechanics, and electricity.

Plan now to investigate the many opportunities for your future with Inland Steel Company.
